

Career Directors International selected to furnish expert career and resume content to International Society of Pharmaceutical Engineers

CDI is proud to announce that the expert and ever-evolving career content created by the industry leaders who make up our global membership (career counselors, coaches, resume writers, job developers, and recruiters) has been selected for inclusion in the International Society of Pharmaceutical Engineers (ISPE) Online Job Board as a major part of their career resources center.

These materials include expert articles and white on topics such as career change, career management, resume writing, biography writing, salary negotiation, interviewing, job search, branding, and international employment. More information can be found on CDI's wealth of job-seeker focused resources at www.careerdirectors.com/jobseekers.htm.

CDI's current affiliations for providing career industry expert information include:

- American Academy of Family Physicians - AFP Career Center
- Society of Teacher's of Family Medicine - STFM Career Center
- International Business Times (ibtimes.com)
- International Society for Pharmaceutical Engineering - Career Center
- CoreNet Global Web-Based Career Center
- InsuranceWorkForce.com
- MedicalWorkForce.com
- DoctorsJobSite.com

CDI also collaborates with numerous professional associations and organizations who are seeking resume writers and career coaches for employment, subcontracting, and speaking engagements. Such opportunities have included:

- Association for Laboratory Automation
- International Council of Shopping Centers
- International Association of Fire Chiefs
- AARP
- American Society for Association Executives
- Yahoo HotJobs - Boston Herald Workplace Diversity Job Fair
- Learning Annex MoneyFest
- OU Job Board
- WallStreet Journal, Dow Jones Ventures
- Boxwood Technology
- National Career Fairs
- East Coast Career Fairs
- Women for Hire

CDI President, Laura DeCarlo, says, "The quality of our relationships truly speaks for the quality of the experts within our organization who truly represent the finest career professionals worldwide. We encourage our members to pursue lifelong learning and to continue developing a body of materials that demonstrate their expertise and the importance of career management. We look forward to continuing to expand and retain the opportunities for our members to increase their visibility while being an advocate for professional career services."
