ResumeMaker® Debuts New Career Software that Helps Working Professionals Land Jobs they Will Enjoy

First-Ever Complete Career Software Offers Comprehensive, 5-Step Job Search Program

Pleasanton, CA (PRWEB) January 14, 2005 -- Individual Software, the leading publisher of personal productivity, business, and educational software, has released ResumeMaker® Career Edition, the first ever, commercially available, complete 5-step job search software designed to ensure working professionals land jobs they can enjoy. Designed by certified, professional career counselors using breakthrough technology, ResumeMaker Career Edition visit <http://www.resumemaker.com> helps people with every aspect of their career, from career assessment to ultimate career success.

"As the economy recovers and new job opportunities arise, many business professionals that have settled for less fulfilling jobs in recent years will be motivated to land careers they can enjoy!" says Matt Hendrickson, Senior Product Manager. "ResumeMaker Career Edition is a new, all-in-one career software that enables these business professionals to quickly achieve their professional career goals – from start to finish."

New! Complete 5-Step Job Search Program
 ResumeMaker Career Edition combines all the necessary tools needed for career success seamlessly integrated into one program: (1) Assess – Career Planning & Assessment (2) Prepare – Resumes and Cover Letters (3) Search – Job Openings and Companies (4) Launch – Interview and Salary Negotiation (5) Success – Career Coaching and Advice

Through several key partnerships, Individual Software offers the most robust feature set available to job seekers through one, comprehensive software program:

- D&B <http://www.dnb.com> offers searchable access to 20 million companies.
- ResumeRabbit <http://www.resumerabbit.com> post resumes to 90+ career Web sites.
- PRWRA <http://www.prwra.com> offers advice and samples from professional career counselors.
- Job Finder searches every major career site simultaneously.
- LinkedIn™ <http://www.linkedin.com> helps business professionals network for their next job.
- Salary.com <http://www.salary.com> offers up-to-date salary figures for most careers.
